Summit's first charity home

By JEMILLAH BICKERTON

SUMMIT Homes South West has joined with Summit Realty South West to build their first charity house.

Profits from the sale will go to the Summit Realty Charity Foundation which will donate the money to the major beneficiary The Cancer Council.

Summit South West general manager David Hunt said that he is excited to do something so big for charity and if it is successful they will consider doing it again.

"The Cancer council will receive the majority of the profits and the rest will be distributed to other worthy charities," said Mr Hunt.

Millbridge Estate sales and marketing manager John Waring has allocated one of their lots in their new display village for maximum exposure of the home.

The four bedroom, two bathroom home in Millbridge started construction on August 25 and is due to finish early in the new year.

"The house will have a study, activity area, theatre room and alfresco and will be sold complete with floor coverings, light fittings, painting and landscaping" Mr Gardiner said.

Mr Gardiner says the house would be a great family home and predicts it would sell in the mid \$400,000's.

Summit South West general manager David Hunt with Summit Realty principal Greg Gardiner looking over the charity house plans.
